Dear people we support and families,

As shared yesterday, our [Re-connecting Families](#) fundraiser is now online.

During any crisis, the most comforting moments are the ones spent with the people who matter most to us. But for the people we support, we have had to make the difficult decision to close our locations and buildings to families and friends. The safety, wellbeing and health of the people we support is paramount.

With tablets and video-enabled devices, we can help the people we support re-connect with their families and friends virtually.

Sharing this fundraiser with family and friends can make a world of difference. They may be able to help, or may also know someone who could help.

For those who use Facebook, the fundraiser is available here and can be easily shared:

For those who do not use social media, the Re-connecting Families Fundraiser is available here:

Raising a little more than \$12,000 will afford us the ability to distribute a tablet to each residence.

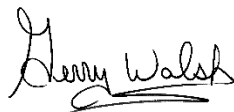

Together, we can do it.

We will continue to keep you informed of any new developments, and you can read the latest at: clgw.ca/covid19

Gratefully,

Laura Hanley
