INDEPENDENT AUDITOR'S REPORT

To the Directors of: Community Living Guelph Wellington

Qualified Opinion

We have audited the accompanying financial statements of Community Living Guelph Wellington, which comprise the statement of financial position as at March 31, 2025 and the statements of changes in net assets, revenue and expenses and cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, except for the effects of the matter described in the Basis for Qualified Opinion paragraph, these financial statements present fairly, in all material respects, the financial position of Community Living Guelph Wellington as at March 31, 2025 and the results of its operations and its cash flows for the year then ended in accordance with the financial reporting provisions of the Ministry of Children, Community and Social Services as disclosed in Note 2.

Basis for Qualified Opinion

In common with many not for profit organizations, the association derives revenues from the general public in the form of fundraising and donations, the completeness of which is not susceptible to satisfactory audit verification. Accordingly, our verification of these revenues was limited to the amounts recorded in the records of the association and we were not able to determine whether any adjustments might be necessary to revenue, net (deficit) surplus and cash flows from operations for the years ended March 31, 2025 and 2024, current assets as at March 31, 2025 and 2024, and net assets as at April 1 and March 31 for both the 2025 and 2024 years. Our audit opinion on the financial statements for the year ended March 31, 2024 was modified accordingly because of the possible effects of this limitation in scope.

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of Community Living Guelph Wellington in accordance with the ethical requirements that are relevant to our audit of the financial statements in Canada, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified audit opinion.

Basis of Accounting and Restriction on Use

We draw attention to Note 2 to the financial statements, which describes the basis of accounting. The financial statements are prepared to assist Community Living Guelph Wellington to meet the requirements of the Ministry of Children, Community and Social Services. As a result, the financial statements may not be suitable for another purpose. Our report is intended solely for the use of the Directors of Community Living Guelph Wellington and the Ministry of Children, Community and Social Services and should not be used by parties other than the Directors of Community Living Guelph Wellington or the Ministry of Children, Community and Social Services. Our opinion is not qualified in respect of this matter.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the financial reporting provisions of the Ministry of Children, Community and Social Services as disclosed in Note 2 and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the association's ability to continue as a going concern, disclosing, as applicable, matters related to a going concern and using the going concern basis of accounting unless management either intends to liquidate the association or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the association's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements, as a whole, are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgement and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the association's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the association's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the association to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

COMMUNITY LIVING GUELPH WELLINGTON
NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED MARCH 31, 2025

1. NATURE OF ORGANIZATION

Community Living Guelph Wellington ("the Association") is incorporated under the laws of the Province of Ontario without share capital, for the purpose of supporting developmentally challenged persons through the implementation of specific programs and creating community awareness to the needs and rights of the disabled. The Association is a registered charity classified under Section 149.1(1) (b) of the Income Tax Act (Canada) and as such, is exempt from income tax.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The financial statements of Community Living Guelph Wellington are the representation of management prepared in accordance with the accounting principles in keeping with the Ministry of Children, Community and Social Services guidelines. Since precise determination of many assets and liabilities is dependent upon future events, the preparation of periodic financial statements involves the use of estimates and approximations. These have been made using careful judgments.

The basis of accounting used in these financial statements materially differs from Canadian accounting standards for not-for-profit organizations because of the tangible capital asset policy described in note 2 (a).

(a) TANGIBLE CAPITAL ASSETS

Tangible Capital assets are recorded at cost. Contributed tangible capital assets are recorded at fair market value at the date of contribution. Repairs and maintenance costs are charged to expense. Betterments which extend the estimated life of an asset are capitalized.

Amortization of buildings funded by mortgages is calculated using Dedicated Supportive Housing for Non-profit Housing guidelines of an amount equal to the principal repayments on related mortgage loans during the year. Capital grants and the value of equipment acquired with operating subsidies are recorded as deferred contributions. Funds raised through the Association for the acquisition of tangible capital assets are recorded as the Association's investment in tangible capital assets. Deferred contributions and the Association's investment in tangible capital assets are amortized at the same rate as the assets acquired with those funds.

Vehicle and equipment useful life for amortization purposes is as follows:

Computer equipment	- 3	years straight line basis
Office & other equipment	- 5	years straight line basis
Vehicles	- 3	years straight line basis

Amortization of vehicles and equipment is calculated on a straight-line basis, using the half-year rule for office equipment and computers, while vehicle amortization is based on the date of addition.

(b) IMPAIRMENT OF LONG LIVED ASSETS

Long lived assets are tested for recoverability whenever events or changes in circumstances indicate that their carrying amount may not be recoverable. An impairment loss is recognized when the carrying value exceeds the total undiscounted cash flows expected from their use and eventual disposition. The amount of the impairment loss is determined as the excess of the carrying value of the asset over its fair value.

COMMUNITY LIVING GUELPH WELLINGTON
NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED MARCH 31, 2025

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

(c) USE OF ESTIMATES

The preparation of financial statements requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and the reported amounts of revenues and expenses during the year. Significant areas requiring management's estimates include the useful lives of tangible capital assets and accounts payable and accrued liabilities. Actual results could differ from management's best estimates as additional information becomes available in the future.

(d) FINANCIAL INSTRUMENTS

Measurement of financial instruments

The Association initially measures its financial assets and liabilities at fair value.

The Association subsequently measures all its financial assets and financial liabilities at amortized cost.

Impairment

At the end of each reporting period, the Association assesses whether there are any indications that a financial asset measured at cost or amortized cost may be impaired. If there are indicators of impairment, and the Association determines there has been a significant adverse change in the expected amount or timing of future cash flows, an impairment is recognized. If circumstances change, a previously recognized impairment may be reversed.

Transaction costs

The Association recognizes its transaction costs in net (deficit) surplus in the year incurred. However, financial instruments that will not be subsequently measured at fair value are adjusted by the transaction costs that are directly attributable to their origination, issuance or assumption.

(e) PENSION PLAN

The Association maintains a contributory money-purchase pension plan, providing a benefit to be paid upon retirement, depending on the amount of accumulated contributions and investment income during the term of the employee's participation in the plan. The Association's contributions to the plan are based on a percentage of the employee's salary. Employees contribute to a group RRSP on a mandatory basis.

(f) CONTRIBUTED SERVICES

Volunteers contribute many hours per year to assist the Association in carrying out its service delivery activities. Because of the difficulty of determining their fair value, contributed services are not recognized in the financial statements.

COMMUNITY LIVING GUELPH WELLINGTON
NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED MARCH 31, 2025

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

(g) FUND ACCOUNTING

Association's unrestricted net assets

The Association's unrestricted net assets represent the cumulative surplus derived from fundraising events and other endeavours. When tangible capital assets are purchased by the Association from this surplus, an amount equal to the purchase amount is removed from the unrestricted net asset account and recorded as an investment in tangible capital assets. The investment in tangible capital assets is unrestricted.

Association's internally restricted fund

The association's internally restricted fund, also known as the General Bequests Fund, was originally established from the Henson Estate and subsequently funds from other bequests, where no particular designation has been identified by the Estate. This fund is not to be utilized for operating costs, as decided by the Board of Directors. Use of these funds must be approved by the board.

Internally restricted Capital Reserve Fund

The internally restricted Capital Reserve Fund represents monies derived from surpluses in the Association's Private Funds which have been designated by the Board for use in the acquisition of tangible capital assets. Recoveries of these capital expenditures are realized through usage charges on the specific equipment acquired.

(h) REVENUE RECOGNITION

The Association follows the deferral method of accounting for contributions, which include provincial subsidy revenue and donations included within fundraising and other income. Provincial subsidy revenues are recorded as revenue in the period to which they relate. Grants approved but not received at the end of an accounting period are accrued. Where a portion of a grant or restricted donation is related to a future period or to expenses to be incurred in the future, it is deferred and recognized in the subsequent period. Sales and user fees and fundraising and other income are recognized as earned and collection is reasonably assured.

3. FINANCIAL INSTRUMENTS

Unless otherwise noted, it is management's opinion that the Association is not exposed to significant interest, credit, currency, liquidity, or other price risks arising from the financial instruments.

The extent of the Association's exposure to these risks did not change in 2025 compared to the previous year.

The Association does not have a significant exposure to any individual customer or counterpart, except as discussed in note 8.

Transacting in financial instruments exposes the Association to certain financial risks and uncertainties. These risks include:

Market risk

Market risk is the risk that the fair value or future cash flows of the company's financial instruments will fluctuate because of changes in market prices. Some of the company's financial instruments expose it to this risk, which comprises currency risk, interest rate risk and other price risk.

COMMUNITY LIVING GUELPH WELLINGTON
NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED MARCH 31, 2025

3. FINANCIAL INSTRUMENTS (CONTINUED)

Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Association is exposed to interest rate risk as a result of the interest rates on the long term debt.

4. CASH

Cash includes amounts held for the designated funds as well as a capital reserve for both houses funded under the Dedicated Housing Supports program:

	2025	2024
Designated funds	\$ 445,880	\$ 445,880

Association's investments in tangible capital assets	<u>\$ 4,910,318</u>	<u>\$ 4,941,729</u>

8. ECONOMIC DEPENDENCE

As is common for charities of its nature, the Association is economically dependent on the Ministry of Children, Community and Social Services as the Association receives the majority of funding from this ministry.

COMMUNITY LIVING GUELPH WELLINGTON
NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED MARCH 31, 2025

9. SERVICE CONTRACT WITH THE MINISTRY OF CHILDREN, COMMUNITY AND SOCIAL SERVICES

The Association has a service contract with the Ministry of Children, Community and Social Services. An annual reconciliation report to the Ministry summarizes, by program, all revenues and expenses and identifies any resulting surplus or deficit that relates to the approved service contract.

A review of this report shows no contracts with the Ministry of Children, Community and Social Services that are in a surplus position as at March 31, 2025, subject to final approval. Adjustments to funding, if any, will be recorded in the year in which they occur.

10. DEFERRED CONTRIBUTIONS RELATED TO TANGIBLE CAPITAL ASSETS

Deferred contributions related to tangible capital assets represent the unamortized amount and unspent amount of donations and grants received for the purchase of tangible capital assets.

	2025	2024
Balance, beginning of year	\$ 7,885,702	\$ 7,828,952
